BA and MA in Mathematics

Profession – Math Teacher at Colts Neck High School, Adjunct Assistant Professor at Ocean County College

Favorite Memory at GCU – Time spent with the Court Singers, friendships made while living on campus and the many special events (to many to list!)

Why you want to be on the board?

The Alumni Board of Directors brings together alumni and creates camaraderie that bridges the years. I hope that the Board continues to be part of the campus community in engaging both students and alumni through university events.
